Seeking Sponsors, Presenters and Attendees

The 2019 PESA Deal Day will bring high quality exploration, appraisal and development opportunities from Australia and beyond to the attention of the world-wide oil and gas industry. The Deal Day is to be held in conjunction with the 2019 APPEA Conference thereby ensuring a wide exposure to industry leaders.

Company representatives will review the technical and commercial aspects of their opportunities via short presentations, using selected data. There will be time during and after the seminar to discuss additional details with interested parties in private.

The registration fee for presenters is **A\$740** and for attendees is **A\$390**. (PESA Non-members **A\$400**)

Bookings made after 13 May 2019 will incur an additional fee.

Each presentation will run for 10 minutes maximum. This provides the opportunity for many and varied presentations.

If you would like to sponsor this event, or make a presentation, please contact Wal Muir or Wendy Ronda (see details below) as soon as possible. These positions have been quickly taken up in the past.
